

## 2025 Avila College School Fees, Levies and Charges Schedule

### Annual Tuition Fees

The following fees and charges have been approved by Avila College for 2025.

The global fee charged per student is inclusive of compulsory camps, excursions and leasing costs associated with the College MacBook Loan Program (excluding damage). These fees are to remain fixed throughout the year unless significant and unforeseen circumstances arise.

Year	Amount Payable
7	\$9,675.00
8	\$9,675.00
9	\$9,675.00
10	\$9,675.00
11	\$9,675.00
12	\$9,675.00

The College method of payment for Annual Tuition Fees is via 10 monthly scheduled payments; please refer to the Avila College Fees Protocol available on the College website [www.avila.vic.edu.au](http://www.avila.vic.edu.au) for payment options.

### Family Discounts

Families with more than one student at the College currently receive the following discounts:

Second Child	\$1,450.00	Third Child & Subsequent	\$1,935.00
--------------	------------	--------------------------	------------

### Early Payment Discount

A discount of \$390.00 per student will be granted when all fees are paid in full by **Friday 28 February 2025** (close of business - 4pm). Please note late payments will not be entitled to the discount.

### VET Electives

Fees for external VET electives may need to be passed onto families. In these instances, the fees are additional to the total College Annual Tuition Fees. Please note any government funding received by the College will be deducted from any VET fees charged. If additional

fees are payable, Parents will be notified in writing at the time of VET enrolment. Further information is available on the College website [www.avila.vic.edu.au](http://www.avila.vic.edu.au)

### **Re-enrolment Levy (Current Students)**

Late in Term 3 of each year, parents/guardians will be asked to pay a \$420.00 re-enrolment fee to confirm and secure a place for their Year 7-11 student at the College for the following year. The amount paid will then be deducted from the Annual Tuition Fee charged in the new school year. Payment must be included with the Re-Enrolment submission for a place to be held for your daughter. This fee is non-transferable and non-refundable should a student not return to the College at the beginning of the following year.

### **Extra Curricular Activities - International Language and Cultural Immersions**

Various student trips are offered annually. All costs associated with these trips are additional to the College Annual Tuition Fee charged. For students to be eligible to participate in these trips, it is expected families will be on a full fee scheduled payment plan and their Annual Tuition Fee account is not in arrears. The College has discretion over whether to allow a student to participate in optional or extracurricular school events, such as paid school excursions, ticketed events, overseas or domestic trips or extracurricular school activities whilst fees remain due and payable.

### **Damage Excess on College MacBooks**

Avila College maintains a 1:1 MacBook program where devices are leased and loaned to the student to support learning for the duration of their education at Avila. In the event damage is sustained to the device, the College will notify the family if the repairs are not covered by the Apple Care + warranty. An excess of \$250 is payable by families on any repairs required outside of the laptop warranty. The amount will need to be paid within 7 days of the notice being issued.

### **Payment in Full by the end of the School Year**

It is a College expectation that all family accounts are to be paid in full by the end of the school year. Student enrolment at the Avila College is based on understanding and acceptance of the Avila College Enrolment Agreement, and the Avila College Fees Protocol, available on the College website [www.avila.vic.edu.au](http://www.avila.vic.edu.au)

### **Financial Assistance**

The school offers a number of methods for paying fees, levies and ad hoc charges to reduce any financial burden and to assist financial planning. If you have difficulty in meeting the required payment of fees, levies and ad hoc charges, you are welcome to discuss this with Business Manager. Consideration is made based on a short application form which can be requested from the Family Accounts Office by telephoning 9831 9600 or emailing [familyaccounts@avilacollege.vic.edu.au](mailto:familyaccounts@avilacollege.vic.edu.au)

All applications are assessed on an individual and annual basis and are treated as confidential.
