Amelie Nguyen

20 students also received the **VCE Baccalaureate**

College Dux 2024

**Congratulations to the
2024 Avila College DUX, Natasha Forster.**

Natasha Forster ATAR 99.1

Chemistry, English, Specialist
Mathematics, Physics,
Chinese (Second Language)
Mathematical Methods (2023)

VCE Baccalaureate

A passionate musician, persuasive debater and talented artist, Natasha has consistently embraced the opportunity to offer her talents and gifts to support and engage with the co-curricular spheres of Avila College school life.

Her calm and committed approach to her academic program has been balanced with a global outlook and a spirit for community.

Natasha's critical thinking, dedication to her studies and compassion for others has seen her become a valued classmate and role model. Her passion for Science in particular has shone through and in addition to being a Monash Scholar (2022), Natasha was the recipient of the ADF Future Innovators Award (2022), STEM Award (2023) and subject award winner for Specialist Mathematics, Chemistry, Physics and Mathematical Methods (2023).

Natasha is also recognised as a 2024 recipient of the VCE Baccalaureate award and aims to pursue tertiary studies in Biomedical Engineering.

Amy Dickson
ATAR **98.55**

Chemistry, English, History: Revolutions, Italian, Literature, Theatre Studies (2023) Mathematical Methods (2023)

VCE Baccalaureate

A gifted communicator, with a love of theatre, public speaking and debating, Amy has demonstrated the capacity to unite and inspire others through her understanding, words and wisdom

As the 2024 Co-Captain, Amy modelled the *Courage to Care* and proved to be an inclusive and innovative leader. With a genuine passion for learning, she is fearless in sharing her views in the classroom and an inquisitive, respectful and generous student and peer.

The 2024 Valedictorian, a Monash Scholar (2022) and the recipient of the Theatre Studies award (2023), Amy is looking forward to embarking on an Arts degree.

Ava Bouchier
ATAR **98.5**

Chemistry, English, French, Literature, Mathematical Methods, History: Revolutions (2023)

VCE Baccalaureate

As a keen advocate for the environment, Ava has purposefully led a number of sustainability initiatives within the College and successfully raised awareness of how everyone can implement simple and effective change.

Ava has approached all her classes with dedication and thoughtfulness. An insightful and engaging writer, she has also demonstrated a talent for understanding and considering diverse perspectives.

Serving the school community as an Avila Ambassador, Ava earned a distinction in the Science Talent Search (2023), was awarded the History Revolutions Award (2023), and hopes to study Arts/Law.

Monique Adolphe
ATAR **98.3**

Chemistry, English, French, Global Politics, Legal Studies, Mathematical Methods (2023)

VCE Baccalaureate

Embracing all that school life has to offer, Monique is a true community ambassador. From public speaking and debating, singing in the chamber choir, editing the yearbook and serving leadership roles, Monique has been an active, engaged and involved Avila College student.

A Monash Scholar (2022), Monique has balanced her diverse co-curricular activities with an unwavering academic focus, a strong sense of justice and a love of languages.

The recipient of the French (2023), Legal Studies (2023) and Academic Excellence Awards, Monique aspires to pursue future studies at university in Law.

Valentine Chew

ATAR 98.1

Art Creative Practice, English, Indonesian (2nd Language), Legal Studies, Mathematical Methods, History: Revolutions (2023)

VCE Baccalaureate

Creative and conscientious, Valentine is a quiet achiever who has consistently applied herself and excelled across a diverse range of subjects.

Valentine's insightful and thoughtful approach has demonstrated an impressive ability to think conceptually, connecting sophisticated ideas to the bigger picture.

Valentine enjoys sharing ideas with her peers, including her ongoing membership of the Book Club for many years.

Receiving the Indonesian and Visual Communication Design (2023) as well as Academic Excellence Awards, Valentine is enthusiastic about exploring future studies in Interior Design.

Merin Pynadath

ATAR 97.85

Chemistry, English, General Mathematics, Specialist Mathematics, Mathematical Methods, Biology (2023)

Merin's VCE journey at Avila has been exemplified by a calm, diligent and methodical approach to her schoolwork and studies.

A detailed and enthusiastic learner with a passion for Mathematics, Merin always applies her mind with tenacity and discipline.

With a commitment to excellence, openness to feedback and genuine desire to learn, Merin's approach has resulted in outstanding academic success.

A keen debater, Merin has been recognised with the Mathematical Methods and Academic Excellence Awards (2023). Merin hopes to study Medicine.

Charlotte Daly

ATAR 96.9

Biology, Chemistry, English, Mathematical Methods, Psychology, Russian (2023)

VCE Baccalaureate

Committed to excellence, Charlotte approaches academic and sporting challenges with curiosity and determination. She is generous in sharing her ideas and celebrating success with her peers.

Demonstrating a formidable ability to conceptualise complex ideas and articulate them with precision, Charlotte has also honed this skill in her public speaking and debating.

A DAV Octo-Finalist (2023), Charlotte has also been presented with the English Award (2023), Student of the Term (2023) and Academic Excellence. Charlotte aims to study Science and Psychology.

Amelie Nguyen
ATAR 96.85

English, Health & Human Development, Legal Studies, General Mathematics, Physical Education, Psychology (2023)

Representing Avila College in aerobics at a national level in both 2023 and 2024, Amelie exemplifies a commitment to embrace every facet of school life within and beyond the classroom. A natural leader, she inspires and encourages her team mates and peers.

Amelie has been an engaged and active member of her classes, contributing thoughtfully to discussions and demonstrating a fearless approach to learning. Her Avila journey has been characterised by a dedication to schoolwork complemented with a community focus, as demonstrated by her Love of Learning Award and College Colours (2023).

Amelie is interested in future studies in Arts or Psychology.

Mia Northwood
ATAR 96.65

English, General Mathematics, Mathematical Methods, Physics, Visual Communication Design (2023), Geography (2023)

Mia has consistently and enthusiastically embraced her academic pursuits with focus, purposefulness and a commitment to continuous improvement and reflection.

A valued member of the Class of 2024 cohort, Mia is supportive of others, generous with her time and attention and develops strong and respectful relationships with her peers and teachers.

Possessing a keen eye for detail and design, together with a creative flair, Mia received the Visual Communication Design Award (2023) and Love of Learning Award (2023).

Mia is looking to study Science or Engineering at university.

Daisy Bird
ATAR 96.2

English, Biology, Health & Human Development, Chemistry, Physical Education, Mathematical Methods (2023)

The Avila College Year 12 Sportswoman of the Year, Daisy has deftly balanced a rigorous training and competition schedule with her VCE studies. While representing Avila in numerous sport codes including softball, AFL, basketball, cross country, indoor cricket, swimming, athletics and netball.

Daisy's commitment to nurture, support and encourage younger students and teammates has been a hallmark of her leadership. She is also respected for her positive attitude, focused determination and excellent work ethic.

The recipient of the Physical Education Award (2023), Daisy is hoping to study Biomedicine or Physiotherapy.

VCE-VM High Achiever

Congratulations to the
2024 VCE-VM High Achiever, Yolanda Edwards.

Yolanda Edwards

Business Management,
Psychology, Literacy,
Numeracy, Personal
Development Skills

Yolanda is a curious and enthusiastic learner with an exceptional work ethic who has continually applied herself throughout her VCE VM course. With a keen attention to detail and strong interpersonal capability, Yolanda is an effective and authentic leader.

Yolanda undertook VCE studies in Psychology and Business Management within her senior program. She was an active and insightful member of the class, contributing to meaningful discussions.

In the workplace, Yolanda has put in to practice the employability and personal development skills she has refined during her studies.

Yolanda is eager to continue her studies in Hospitality.
